Official Nomination to Globe Sustainability Research Award 2011

With the great pleasure the Globe Award Secretariat would like to announce that **OXIS Energy Limited** has been nominated for Sustainability Research Award 2011!

Congratulations!

OXIS Energy Limited has fulfilled the criteria entirely. The originality, practicality as well as sustainable orientation of the research has been proven.

Globe Sustainability Research Award is given to researchers whose achievements and work contribute to sustainable development around the world. The reward acknowledges those who promote and increase people's understanding of sustainability around the world.

OXIS Energy Limited has been chosen as one of the nominees by the jury of Globe Award's Sustainability Research which consists of Jury Chair: Mohan Munasinghe, professor, Nobel Peace Prize Laureate 2007, Director General of Sustainable Consumption Institute, University of Manchester; Fred Dubee, professor, UN Global Compact, Senior Advisor working extensively in China and throughout Asia; Shiqiu Zhang, professor, Director, Institute of Environment and Economy (IoEE), University of Peking; Dana Cordell, Research Principal, Institute for Sustainable Futures, University of Technology; Prof. Peter Meier, professor and consultant on energy and environment to the World Bank, previously Chairman of the Energy programme at the State University of New York at Stony Brook, Switzerland.

Globe Award is also given out in the categories: *Sustainability Innovation* and *Sustainable City, Sustainability Reporting*. The overall jury chairman of Globe Award is Lars-Olle Larsson, PwC.

The winner will be announced on March 28th 2011 and the honorary diploma will be sent by post. A clip press will be released on the same day and the winners will be communicated through Globe Forum media channels, the jury and all Globe Award's network.

The Globe Award has decided to take further environmentally friendly steps and fulfill its mission to contribute to sustainable development by reducing its carbon footprint. We truly believe that small actions do make a difference. It is our obligation for promoting sustainability not only in theory, but also, in practise. Therefore the prize ceremony will be held virtually at the Globe Forum sustainability conference in Stockholm on May 11th.
